Y'know that thing where you take a character & pick a song that you might associate with that character?the character might listen to? I made a list of the sort for some of my Animal Crossing residents (+ Raymond) and was wondering if you'd like to see it.

Today I realized that I should have named my ACNH island "Penny Lane" Beatles reference, of course) and now I'm disappointed at myself. :p

scratchlord209
@TheModernScratcher Were you listening to Beatles on Monday, 24th March 2025? If no, then that's justifiable. If yes, you're just hopeful :P

TheModernScratcher
@scratchlord209 Nope, I think it was September I started listening to them.

@scratchlord209 Correction: It was in August that I started.

After a lot of consideration, I've decided that the 10 villagers that I want to be on my ACNH island will be Bob, Felicity, Dobie, Marshal, Punchy, Raymond, Kid Cat, Tom, Biskit, & Sasha. Meaning I'll have to kick out Diana, Coco, Curly, Cherry, Tansheng, & Faith.

@TheModernScratcher noo tansheng noooo think about how it took 3 months to kick boonie out and replace it with a better villager
